Robert Jacobson

Senior Video Producer • Broadcast Editor • Commercial Creative Director

New Orleans, LA • (512) 439-9377 • robertjacobson@startmail.com • https://robja237.github.io/Creative-Reel/

Professional Summary

Accomplished video producer and senior editor with 20+ years of high-impact production leadership spanning national network broadcast (CNBC), major affiliate newsrooms (Hearst Television / WDSU), and commercial campaigns for Fortune 50 enterprise brands (Amazon, Microsoft). Proven expertise in driving high-velocity editorial pipelines from concept, camera operation, and multi-track audio through advanced motion design and final picture lock. Directed post-production operations for digital studio properties generating over 30 million cross-platform views.

Production & Technical Mastery

Core Post-Production: Adobe Premiere Pro, After Effects, Photoshop, Illustrator, Audition, DaVinci Resolve
Editorial Craft: Long-Form Narrative Pacing, Broadcast News Ingest & Cut, Multi-Camera Conforming, Sound Design, Color Grading
Motion & Delivery: 2D Motion Graphics, Kinetic Typography, Broadcast News Lower-Thirds & Packages, Rapid-Turn Pipeline Automation
Field & Studio: Camera Operation, Live Studio Lighting & Audio, Media Asset Management (MAM), QC Standards Compliance

Professional Experience

2022 – Present **Broadcast News Video Editor** — **WDSU News 6 / Hearst Television** • *New Orleans, LA*

- Cut and master high-priority daily news packages, breaking news blocks, VO/SOTs, teases, and promotional spots for multiple live daily newscasts under zero-failure network deadlines.
- Execute rapid-turn story shaping and sound design independently, converting raw field ingest into broadcast-compliant assets meeting strict Hearst Television technical and editorial specifications.
- Collaborate directly with executive producers, investigative reporters, and newsroom anchors to deliver clean, compelling visual narratives under extreme time pressure.

2024 – Present **Founder & Commercial Creative Director** — **SignalBridge Media** • *New Orleans, LA*

- Direct an independent commercial video production and merchandising studio delivering rapid-turn 4K video assets and automated social feed distribution for high-ticket powersports and marine dealerships.
- Engineered an end-to-end editorial pipeline combining broadcast-speed post-production with 2D motion graphics and localized sound design, delivering 24-hour turnaround on commercial inventory assets with zero lot

disruption.

- Develop multi-platform distribution strategies (Meta Reels, TikTok, YouTube Shorts, inventory VDPs) focused on viewer retention, local buyer reach, and accelerating frontline inventory turn.

2020 – 2021 **Video Production Coordinator & Commercial Producer** — **Gasology.com** • *New Orleans, LA*

- Produced and directed short-form commercial video campaigns, including branded content initiatives developed in direct partnership with Amazon and Microsoft.
- Managed end-to-end production operations from creative concepting, lighting, and camera operation through post-production editorial, sound mix, and multi-format commercial delivery.
- Built promotional and instructional video assets designed to drive platform onboarding and brand credibility across B2B enterprise partners.

2017 – 2020 **Lead Video Editor — Feature Films & Commercial Projects** — **Independent Production** • *Austin, TX / New Orleans, LA*

- Lead Editor on an independent feature-length narrative film; managed proxy workflows, multicam sync, editorial assembly, sound design conform, and final picture lock (distribution held due to producer rights dispute).
- Assembled, paced, and delivered multiple feature-length documentary films, managing terabytes of raw archive material, multi-subject sit-down interviews, and verité b-roll into cohesive long-form narratives.
- Produced and cut high-energy local broadcast television commercials for regional automotive clients, including the high-visibility, cult-favorite broadcast campaign for Dream Cars Austin.

2006 – 2017 **Head Video Editor & Post-Production Supervisor** — **Digital Media Studio** • *Austin, TX*

- Spearheaded post-production operations for digital video properties that accumulated over 30 million views across streaming and digital platforms.
- Hired, trained, and supervised an internal post-production team of editors, motion graphic artists, and assistant editors.
- Standardized editorial workflows, media asset management (MAM) systems, and QC pipelines to ensure consistent delivery across high-volume production schedules.

2005 – 2006 **Video Editor / Assistant Editor** — **CNBC** • *Austin, TX*

- Edited full-length episodes of *American Entrepreneur* for national network broadcast under accelerated network turnaround schedules.
- Promoted from Assistant Editor to Editor in recognition of exceptional cut pacing, technical execution, and ability to collaborate with national producers under high pressure.
- Handled broadcast delivery protocols, tape/digital conforms, and strict network QC standards.

Education

B.A. in Communication Arts and Sciences — **Queens College, CUNY** • *Queens, NY*
