Professional Summary

Video editor and producer with 20+ years across broadcast, documentary, and digital media. Experience spans full-length CNBC episodes, short-form branded campaigns for Amazon and Microsoft, and daily news editing at WDSU. Combines video editing, sound design, and motion graphics with production experience from concept and camera operation through final delivery. Led post-production for digital content exceeding 30 million views.

Production Skills

Adobe Premiere Pro, After Effects, Photoshop, Illustrator | Long- and short-form video editing | Sound design | Motion graphics | Branded content and promos | Camera operation | Live lighting and audio | Post-production workflows | Asset management | Team training

Professional Experience

ENG News Video Editor

WDSU News 6 / Hearst Television - New Orleans, LA | 2022 - Present

- Edit daily news packages, VO/SOTs, teases, and promos for multiple newscasts under live broadcast deadlines.
- Handle high-priority and breaking-news edits independently, delivering finished video and sound design that meet editorial, technical, and on-air standards.
- Work with producers, reporters, anchors, and newsroom leadership to shape accurate, visually compelling stories on rapid turnaround schedules.

Video Production Coordinator

Gasology.com - New Orleans, LA | 2020 - 2021

- Produced short-form video campaigns, including branded content for Amazon and Microsoft.
- Managed concept development, camera operation, editing, and final delivery for marketing and instructional videos.

Event Technician

AV Technical Support - New Orleans, LA | 2017 - 2020

- Installed and operated lighting and sound systems for corporate events and live shows, maintaining safety standards and smooth technical execution.

Head Video Editor

Digital Media Studio - Austin, TX | 2006 - 2017

- Led post-production for digital video content reaching more than 30 million views across platforms.
- Trained and managed an editing team; directed post-production workflows and asset delivery schedules.

Editor / Assistant Editor

CNBC - Austin, TX | 2005 - 2006

- Edited full-length episodes of American Entrepreneur for national broadcast under aggressive production deadlines, collaborating with producers and post-production teams.
- Promoted from Assistant Editor to Editor based on quality, speed, and editorial execution.

Education

B.A. in Communication Arts and Sciences | Queens College, CUNY - Queens, NY
